Nicolai von Wilm (1834-1916), German-Russian pianist, prolific composer, conductor and teacher, trained at Leipzig Conservatory, became second conductor at Riga Theatre 1857/58, moved 1860/75 to a teaching post at the Nikolai Institute at St. Petersburg, and from 1878 lived in Wiesbaden. Cobbett mentions this piano trio in his *Cyclopedic Survey* and with his finely-honed skill in the bestowal of faint praise reports that "it was played at South Place in 1902 and has admirers in amateur circles."

MERTON MUSIC

Merton Music is devoted to making rare string chamber music accessible to players at prices which will positively encourage exploration. There are 1100 items in the catalogue from 300 composers, most of whose names you will find in the border. Not all are masterpieces but very few deserve the neglect they have endured because their original publishers allowed them to go out of print. All can be posted to you direct from the publisher, Theo Wyatt, in London at the following standard price per page of music, post-free; a fraction of the price of commercial publications:

U.K.	£0.10
U.S.A	$0.20
Germany	€0,20
Holland	€0,20
Australia	A$0.30
Sweden	SEK1.50

The music is supplied in parts ready for the music stand on 100gsm A3 paper in a 160gsm cover. For many of these works separate scores are available.

For a free 24pp. catalog containing an order form and full instructions on how to pay in your own currency contact one of the following:
